OPEN HOUSE SCHEDULED

The Florida Department of Transportation (FDOT) invites you to attend an open house regarding the design of a multi-use trail which will connect the Clarcona-Ocoee Connector Trail to the Seminole Wekiva Trail.

The open house will be held on **Thursday, January 9, 2020 from 5 p.m. to 7 p.m. at ICP of Orlando located at 5850 Clarcona-Ocoee Road, Orlando.** You may come any time during those hours to review project displays and a looping presentation video. Project representatives will be available to discuss improvements and answer questions.

The 3.9-mile project is located in northwest Orange County. The project begins along Clarcona-Ocoee Road at the intersection with Hiawassee Road and ends at the junction of North Orange Blossom Trail (U.S. 441) and State Road (S.R.) 414. The project also includes improving crosswalks and curb ramps in accordance with Americans with Disabilities Act (ADA) requirements, making drainage and minor structure improvements, installing new traffic signal poles, and modifying the northbound U.S. 441 on ramp to westbound S.R. 414 by replacing the existing right turn with a signalized right turn for safety. Construction is expected to begin by fall of 2022 at an estimated cost of \$5.6 million.

Project information shared at the open house will be available for review online at www.cflroads.com after the meeting (search 436433-1). All written comments emailed or postmarked by January 27, 2020, will become a part of the open house summary.
