

Barracuda Bridge Replacement New Smyrna Beach, Volusia County

Financial Project Identification (FPID) No.: 437935-1

Public Information Meeting

The Florida Department of Transportation (FDOT) would like to invite you to a public meeting regarding the design to replace the existing Barracuda Bridge over the Canal Bradano waterway in New Smyrna Beach **on Wednesday, December 2, at 5:30 p.m.**

The public meeting is being held to present the updated bridge design, estimated construction timelines, and to obtain public input.

The Department is offering multiple ways for the community to participate in the meeting. All participants, regardless of platform they choose, will participate in the same live meeting.

The VPM and in-person meeting location open at 5:30 p.m. **A formal narrated PowerPoint presentation will begin promptly at 6 p.m.** If joining online, participants are asked to allow adequate time to log in so they are able to see the presentation in its entirety.

Join Us Virtually

Interested persons may join the Virtual Public Meeting (VPM) from a computer, tablet or mobile device. A VPM is a free live presentation or webinar over the internet.

- For this option, advance registration is required by visiting the web address below or by scanning the QR code. Once registered, participants will receive a confirmation email containing information about joining the meeting online. Please note, Internet Explorer cannot be used to register or attend this webinar.
