

# Garden Street (S.R. 406) At Christian Court Median Modifications

## Brevard County

Financial Project Identification (FPID) No.: 992100-5

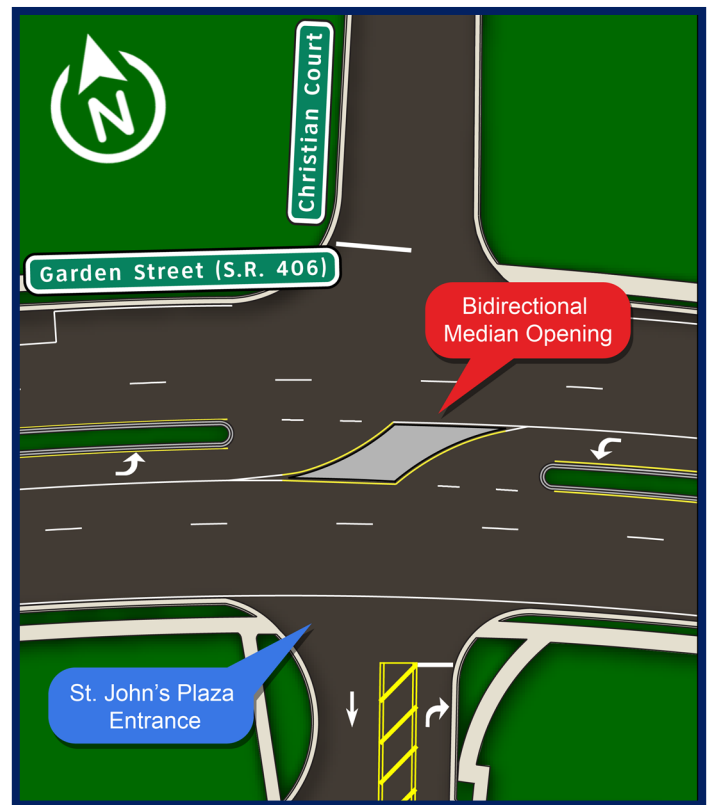

### Project Description

The Florida Department of Transportation is designing safety improvements at Garden Street (State Road (S.R.) 406) at Christian Court in Titusville, Brevard County.

The purpose of this project is to increase safety, improve traffic flow, and reduce the number of areas where vehicles cross paths by modifying the full median opening to a bidirectional median opening. This change will continue to allow all right turns at the intersection of Garden Street and Christian Court, left turns from westbound Garden Street into St. John’s Plaza, left turns from eastbound Garden Street onto Christian Court, and westbound and eastbound U-turns on Garden Street at the bidirectional median opening. Left turns from Christian Court and St. John’s Plaza onto Garden Street, and crossings of Garden Street between Christian Court and St. John’s Plaza will be prohibited.

These improvements were developed following an intersection study completed in September 2019.

### Project Status and Estimated Costs\*

Design:	Ongoing - completion late summer 2022	\$	10,800
Right of Way:	Within Existing	\$	—
Construction:	Funded - early fall 2022	\$	60,000

\*subject to change
