

S.R. A1A Resurfacing

from north of Pineda Causeway (S.R. 404) to south of Sherry Lee Lane (36th Street)

Brevard County

Financial Project Identification (FPID) No.: 445214-1

Project Description

The Florida Department of Transportation (FDOT) is planning improvements along State Road (S.R.) A1A from north of Pineda Causeway (S.R. 404) to south of Sherry Lee Lane (36th Street). The purpose of the project is to repave this segment of S.R. A1A to extend the life of the roadway and improve operations.

To enhance safety along the corridor, the project plans to add a raised grassed median within the existing two-way left turn lane. Other safety enhancements include the installation of guardrail and barrier wall at one location between Pineda Beach Park and School Avenue and installation of sidewalk at the southwest corner of the Jupiter Street intersection. The project also includes signing and pavement marking enhancements, signalization upgrades, and drainage improvements.

Project Status and Estimated Costs*

Design:	Ongoing - completion late 2023	\$ 774,000
Right of Way:	Within existing	-
Construction:	Funded - early 2024	\$ 5.6 Million

*subject to change
