

# ROADWAY RESURFACING

S.R. 415 from north of Acorn Lake Road to S.R. 44

**Volusia County**

## PROJECT DESCRIPTION

The Florida Department of Transportation (FDOT) will be resurfacing State Road (S.R.) 415 from north of Acorn Lake Road to S.R. 44, a distance of approximately 10 miles, in Volusia County. This project will also include the installation of a new southbound left-turn lane from S.R. 415 onto Quail Ranch Road and minor drainage improvements. The right-turn lane from northbound S.R. 415 to eastbound S.R. 44 will also be lengthened.

Bridge maintenance will also be performed on the following three S.R. 415 bridges as part of FPID: 448921-1.

- S.R. 415 over Deep Creek (Bridge #790033)
- S.R. 415 over Alabama Creek (Bridge #790034)
- S.R. 415 over Lake Ashby Canal (Bridge #790035)

## WHAT TO EXPECT

Motorists should expect intermittent single lane closures on S.R. 415 throughout construction. Electronic message boards, road work signage, and flagging operations will be used to direct traffic around closures. Marine traffic access at the three identified bridges will be maintained during construction.

Uneven pavement is a common, unavoidable roadway condition with resurfacing projects as the contractor must place different layers of asphalt during various phases of construction. Road conditions during construction are short-term and will become less apparent as the project nears completion.

The schedule may change due to weather or other unforeseen circumstances. For the most current project details and lane closure information, make sure to visit the project page on FDOT's Central Florida Roads website, [www.cflroads.com](http://www.cflroads.com).

**Financial Project  
Identification (FPID)  
No.:** 442907-1 and  
448921-1

### CONTRACTOR

Masci General Contractors, Inc.

### PROJECT COST

\$7.9 Million

### PROJECT START

October 2023

### ESTIMATED COMPLETION

Summer 2024
