Dear Property Owner:

On behalf of the Florida Department of Transportation (FDOT), we invite you to a public information meeting regarding the Regional Transportation Management Center Project in Seminole County. The meeting is being held to review the latest site design.

The project entails construction of a new state-of-the-art Regional Transportation Management Center (RTMC) for the Florida Department of Transportation and the Florida Highway Patrol Dispatch. The RTMC will be a one-story, 44,700 square-foot building with parking located at the east terminus of Wilson Road in Seminole County. The RTMC will monitor traffic conditions around the nine-county area (Brevard, Volusia, Flagler, Seminole, Orange, Osceola, Sumter, Lake and Marion).

The meeting is scheduled for Tuesday, May 31, 2016, from 5:30 p.m. to 7:30 p.m. at Lakeside Fellowship United Methodist Church located at 305 S. Orange Boulevard, Sanford, Florida 32771. The meeting is an informal open house where building renderings and a site plan will be available for review and project staff will be available to address questions.

We invite your participation and welcome your comments on the design. Public participation is solicited without regard to race, color, national origin, age, sex, religion, disability or family status. Persons wishing to express their concerns relative to FDOT compliance with Title VI may do so by contacting Jennifer Smith, FDOT District Five Title VI Coordinator by phone at (386) 943-5367, or via email at Jennifer.Smith2@dot.state.fl.us.
