Purpose of This Hearing

- Share information
- Give public opportunity to express opinions

Project proposes improvements to SR 44 including resurfacing and the addition of a median which acts as a traffic calming device, reduces angle crashes, and provides a pedestrian crossing refuge

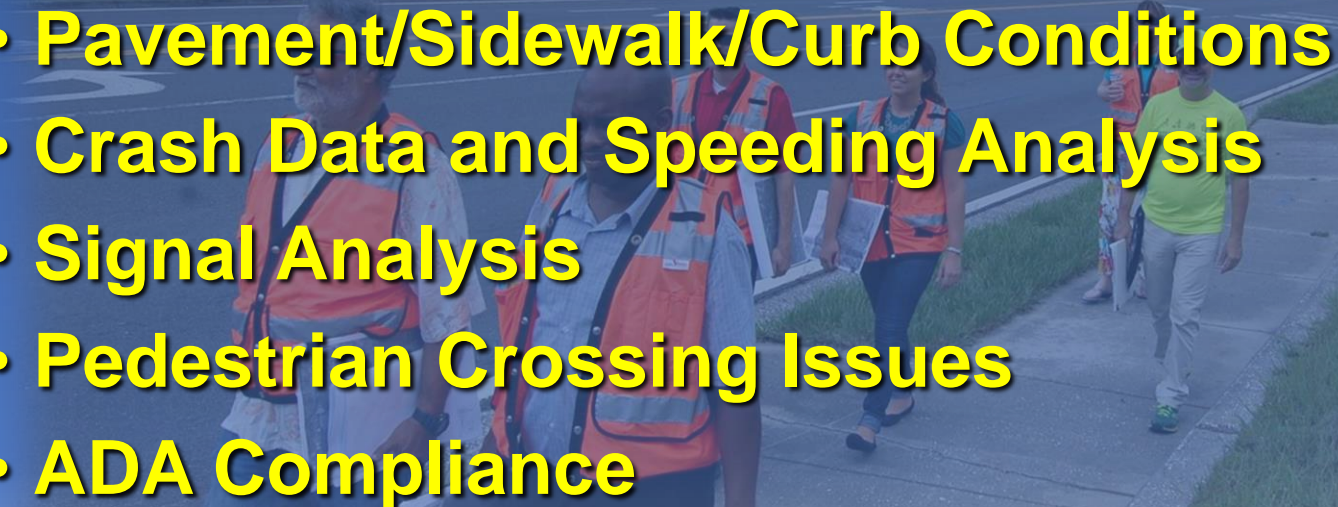

Project Location

Why Are We Making These Changes?

City and Metropolitan Planning Organization Request

- **Pavement/Sidewalk/Curb Conditions**
 - **Crash Data and Speeding Analysis**
 - **Signal Analysis**
 - **Pedestrian Crossing Issues**
 - **ADA Compliance**
- 
- A photograph of a group of people walking on a sidewalk. In the foreground, two men are walking towards the camera; one is wearing a white shirt and an orange safety vest, and the other is wearing a light blue shirt and an orange safety vest. Behind them, a woman in a blue shirt and orange safety vest is walking, followed by a man in a bright green shirt and light-colored pants. They are walking on a concrete sidewalk next to a road. In the background, there are cars parked along the side of the road, some buildings, and a clear sky.
