PROJECT DESCRIPTION

The purpose of this project is to signalize the intersection of U.S. 17-92 and Fort Florida Road in DeBary. The project includes the installation of a mast arm to bring the T-intersection under signal control. In addition, the project includes roadway resurfacing, sidewalk work, signing, lighting and Americans with Disabilities Act (ADA) improvements.

WHAT TO EXPECT

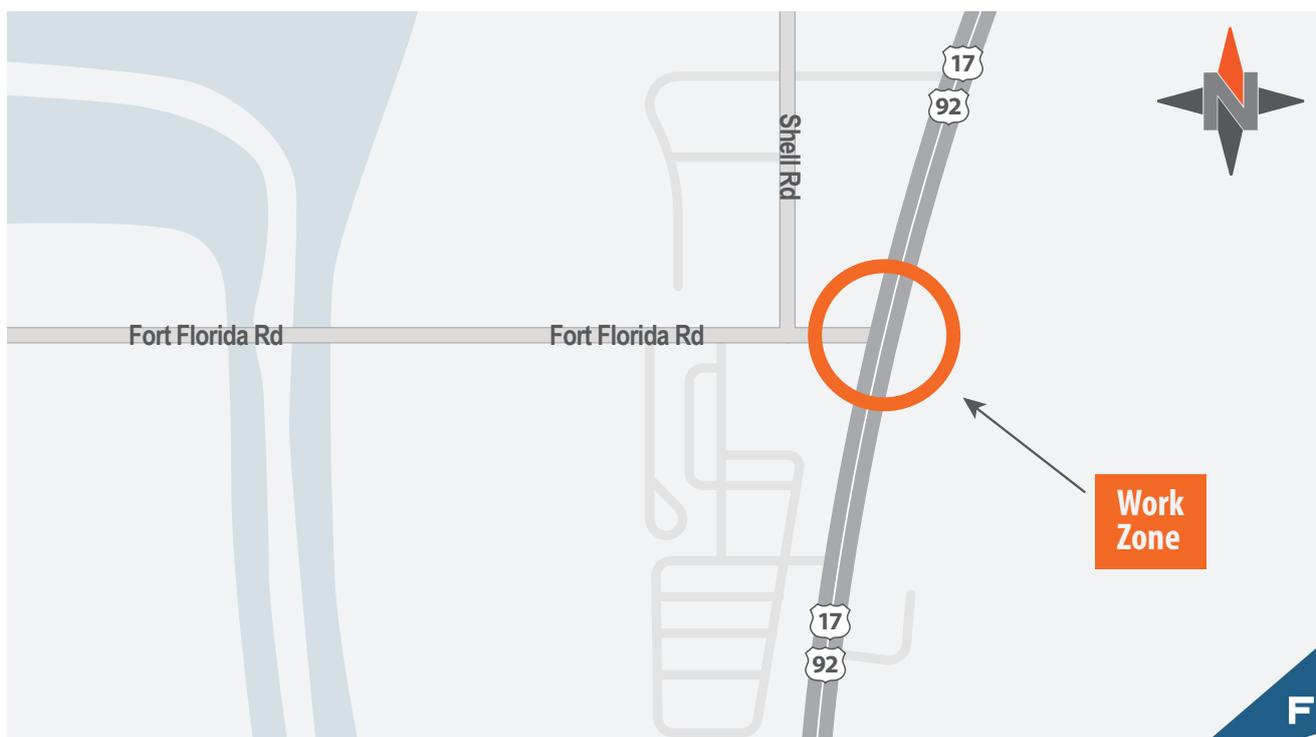

This project will require single lane closures on northbound and southbound U.S. 17-92. Lane closures will happen during daytime and nighttime hours. Electronic message boards and other signage will be used to alert motorists of closures. Updates can be found on the Florida Department of Transportation's Central Florida website, www.cflroads.com.
