# SR 535 CORRIDOR PLANNING STUDY

AN FDOT PROJECT | FROM US 192 TO INTERSTATE 4

## Why You Are Here:

- To participate in the Corridor Planning Study process
- To review the existing conditions issues and opportunities along SR 535
- To provide your thoughts, concerns, and comments regarding the project

## Stay Informed by:

By visiting our website  
[www.cflroads.com](http://www.cflroads.com)

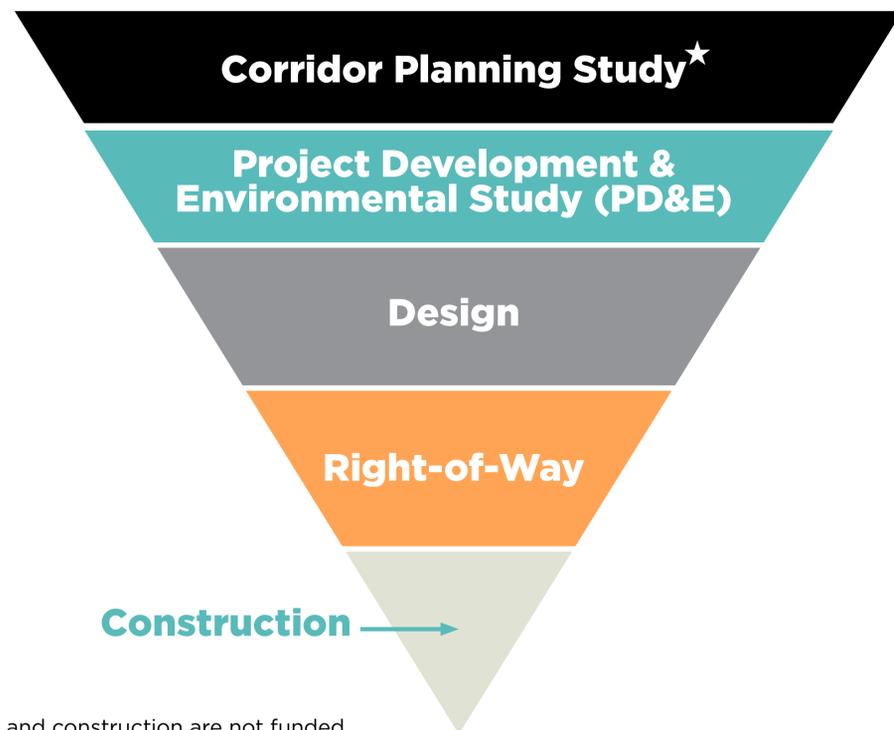

By contacting Ms. Heather Garcia  
 Florida Department of Transportation  
 District 5

719 S. Woodland Boulevard  
 Deland, Fl. 32720  
 (386) 943-5077  
[heather.garcia@dot.state.fl.us](mailto:heather.garcia@dot.state.fl.us)

## How Can You Get Involved?

- Participate in open discussion with the project team
- Ask questions about specific aspects of the project
- Fill out a comment form with your input
- Request a small group / neighborhood meeting

## Where We Are:

ROW and construction are not funded

### Welcome!

Welcome to the State Road (SR) 535 Corridor Planning Study Existing Conditions Public Meeting! The study, which is the first phase in the transportation development process, is evaluating a range of multi-modal (roadway and pedestrian) improvements to address roadway capacity, traffic operations, safety, pedestrian connectivity and other factors on the segment of SR 535 between US 192 in Osceola County to I-4 in Orange County.

This Public Meeting is the first of two meetings being held throughout the 18 month planning study. The purpose of the meeting is to present initial findings related to existing and future conditions and receive input from interested stakeholders.

### Next Steps

The next steps in the Corridor Planning Study process will be to develop a variety of potential roadway concepts that meet the future needs of the corridor. These options will be presented at the Second Public Meeting anticipated to take place in the summer of 2017.
