

State Road (S.R.) 35 (Baseline Road)

Southeast 96th Place Road to south of S.R. 464
(Southeast Maricamp Road)

Ocala, Marion County

Financial Project ID: 238693-1-52-01/02

Project Description

The Florida Department of Transportation is widening State Road (S.R.) 35 (Baseline Road) from two to four lanes. The project limits are from Southeast 96th Place Road to south of S.R. 464 (Southeast Maricamp Road), approximately 4 miles. Additional work includes sidewalks, drainage improvements, signing and pavement markings, guardrails, new signals, and driveway reconstruction.

Traffic Advisory

This project will involve traffic shifts and short, intermittent closures of some side streets. Electronic message boards will be used to alert and direct motorists.
