

State Road (S.R.) 19/South Bay Street from Norton Avenue to Lake Saunders Drive

Lake County, Florida

Project Description

This is a milling and resurfacing project along S.R. 19/South Bay Street from Norton Avenue to Lake Saunders Drive in Lake County. The main objective is to extend the life of the existing pavement through milling and resurfacing of all the travel lanes and auxiliary lanes along S.R. 19. By reducing the lane widths through the use of pavement markings and the removal of on street parking, there will be 12-ft. inside lanes, 13.5-ft. outside lanes, and a 7-ft. buffered bicycle lane.

Additional improvements include updates to pedestrian ramps and signal features to comply with Americans with Disabilities Act (ADA) requirements and minor signing and drainage upgrades.

Please visit www.CFLRoads.com for more information.
