Public Information Meeting

The Florida Department of Transportation (FDOT), District Five invites you to a public information meeting on Thursday, April 10 at the Calvary Christian Academy located at 1687 West Granada Boulevard in Ormond Beach. The meeting is being held to present the proposed design plans and to obtain comments from the public. The meeting is an open house from 5:30 p.m. to 7:00 p.m. Maps, drawings and other project information will be on display at the meeting. Representatives from the design team will be available during the meeting to discuss the project and answer questions.

Project Overview

The project begins west of SR 11 and extends to Cone Road, a distance of approximately 7.6 miles. It is anticipated

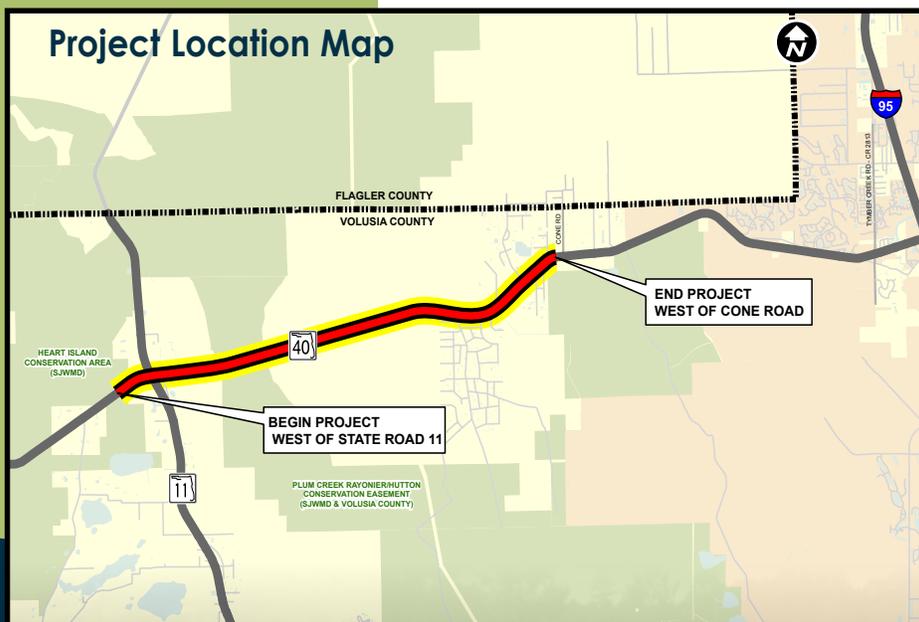

that the existing two-lane roadway will need to be widened to a four-lane, divided roadway. Improvements include milling and resurfacing the existing pavement as well as a paved, multi-use trail on the south side of the road. For additional information, please visit the project website at www.cflroads.com.

Public Involvement

It is very important for you to be able to provide your comments related to the proposed improvements to SR 40 to the design team. Public participation is solicited without regard to race, color, national origin, age, sex, religion, disability or family status. Persons who require special accommodations under the Americans with Disabilities Act or persons who require translation services (free of charge) should contact: Mr. Andy DeWitt, consultant project manager at (407) 971-8850 or by e-mail at adewitt@inwoodinc.com at least seven days prior to the meeting.

Project Schedule

The design team is tentatively scheduled to finalize the engineering plans and secure all necessary environmental permits in the summer of 2014. This project is not currently funded for the right-of-way acquisition or construction phases.

Public Information Meeting

Thursday, April 10, 2014
5:30 p.m. - 7:00 p.m.
