

PUBLIC INFORMATION MEETING

SECTION 5 & 6 DESIGN PROJECTS IN LAKE AND SEMINOLE COUNTIES FINANCIAL PROJECT ID: 238275-8 & 238275-7

WHAT: The Florida Department of Transportation (FDOT) is holding a public information meeting about Wekiva Parkway Sections 5 and 6 in Lake County and a small portion of Seminole County. The informal open house is being held to review the latest designs including the planned realignment of County Road 46A and changes to State Road 46.

WHEN: Tuesday, April 7, 2015 from 5:30 p.m. to 7:30 p.m.

WHERE: Camp Challenge, 31600 Camp Challenge Road, Sorrento, FL 32776

Project Details:

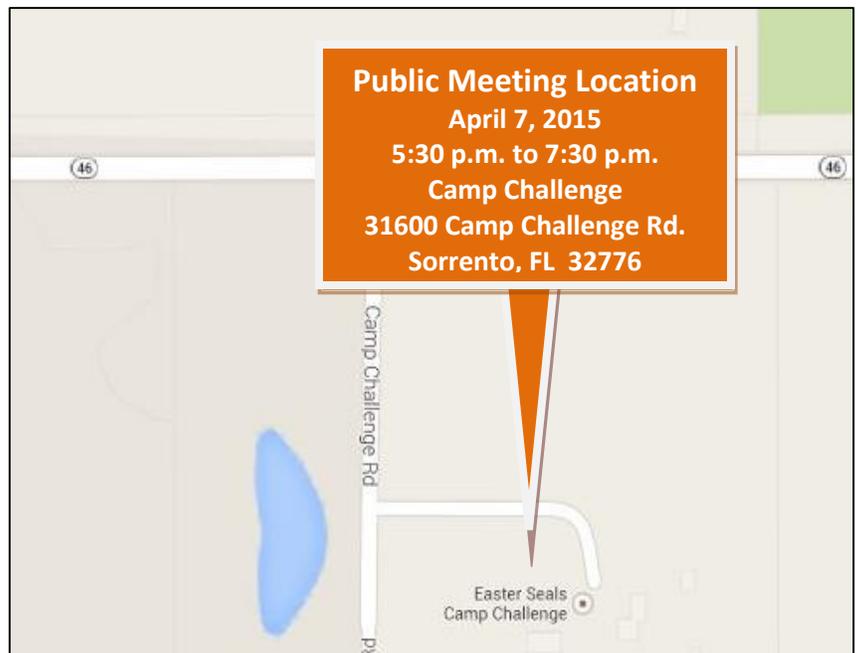

The Section 5 project is to design the non-tolled relocation of County Road (CR) 46A out of the Seminole State Forest, thereby improving habitat connectivity and reducing the risk of conflicts between vehicles and wildlife. CR 46A would be realigned 2.5 miles from north of Arundel Way to connect to SR 429 east of Camp Challenge Road.

The Section 6 project is to design 5.5 miles of limited access toll road largely along the existing State Road (SR) 46 corridor from west of Old MacDonald Road to east of Wekiva Park Road. The project will include designing a non-tolled, service road for local travel, a new bridge over the Wekiva River, and several wildlife bridges to allow animals to pass safely between adjacent state conservation lands. A multi-use trail also will be built along these sections.

Construction Cost: \$227 million

Construction Start: 2017

Project Duration: 36 months

Public participation is solicited without regard to race, color, national origin, age, sex, religion disability, or family status.
