

State Road (S.R.) 50 Corridor Planning Study Public Kickoff Workshop

April 8, 2019
from 5:30 p.m. to 7 p.m.

Clermont City Center
620 West Montrose Avenue, Clermont, FL 34711

Welcome

...to the public kickoff workshop for the S.R. 50 Corridor Planning Study. The Florida Department of Transportation (FDOT) is conducting this workshop to relay the project goals and objectives, explain the study process, seek public and agencies input, and provide interested persons an opportunity to get involved in the studies.

This project was requested by the City of Clermont to coordinate the development of a future vision for the corridor that establishes a multimodal approach to providing for future transportation needs. This study will involve a community-based evaluation to determine how best to meet the needs of current and future users, and to establish a long-term plan to guide evolution of the corridor that appropriately correlates the balance between land use and transportation planning.

Please visit our project website at www.cflroads.com & search for financial project identification (FPID) number: 442924-1
