

U.S. 1 Concrete Repairs from Fleming Avenue to Reed Canal Road

Volusia County

Financial Project No.: 441682-1

Project Description

The Florida Department of Transportation (FDOT) will be repairing and replacing concrete slabs along U.S. 1 (Ridgewood Avenue) between Fleming Avenue and Reed Canal Road in Volusia County. Work will include sealing cracks, repairing joints, and partial or full slab replacement as needed throughout the project.

What to Expect During Construction:

This project will require single lane closures along U.S. 1 and at the intersection of U.S. 1 and Dunlawton Avenue. Lane closures are not permitted during morning and afternoon peak travel times. Daytime and nighttime work is expected. Electronic message boards and other signage will be used to alert motorists of closures and detours. Updates also can be found on FDOT's Central Florida website www.cflroads.com.

Fast Facts

Contractor:

GPS Civil Construction Inc.

Project Cost:

\$2 Million

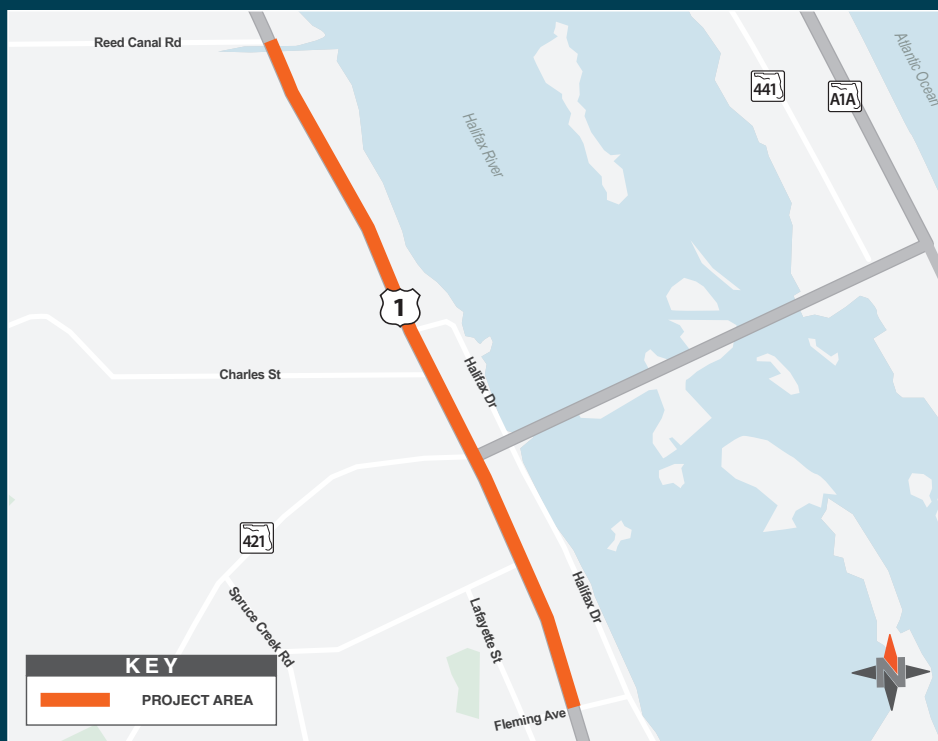

Project Start:

April 2019

Estimated Completion:

Spring 2020
