

# State Road (S.R.) 518 (Eau Gallie Boulevard) Improvements - Design Open House

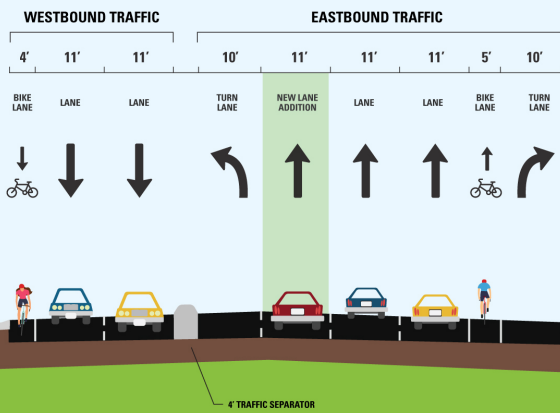

Financial Project Identification Nos.: 439778-1 & 439779-1

## Project Description

The Florida Department of Transportation (FDOT) is designing operational and safety improvements on State Road (S.R.) 518 (Eau Gallie Boulevard) from west of Interstate 95 (I-95) to east of Sarno Road in Melbourne.

Proposed improvements call for widening S.R. 518 to add an eastbound through lane, providing bicycle lanes in each direction, and upgrading auxiliary lanes. The project will widen the northbound I-95 off ramp, the southbound I-95 on ramp and the southbound I-95 off ramp for improved operations at the interchange. Traffic signal modifications, sidewalk extensions and drainage improvements also are planned.
