Fellowship Baptist Church
10500 U.S. 27, Ocala, FL 34482

PROPOSED IMPROVEMENTS

The Florida Department of Transportation (FDOT) is proposing to improve safety and traffic operations on U.S. 27 (S.R. 500) at the intersection with NW 115th Avenue. Proposed improvements consist of converting the full median opening to a bi-directional opening that allows eastbound and westbound traffic on U.S. 27 (S.R. 500) to make a left turn onto NW 115th Avenue, while traffic from NW 115th Avenue will only be able to turn right onto U.S. 27. This reduces the number of conflict points at the intersection; thus, improving safety.

A court reporter will be present to record proceedings, and assist with comments, as part of the project record. Written comments can be submitted at the hearing, sent by mail to Dave Mixon, Florida Department of Transportation, 719 S. Woodland Boulevard M.S. 562, DeLand, FL 32720; or, emailed to Dave.Mixon@dot.state.fl.us no later than Monday, July 29, 2019. All written and oral comments will become part of the project's public record.

Public participation is solicited without regard to race, color, national origin, age, sex, religion, disability or family status. Persons wishing to express their concerns relative to FDOT compliance with Title VI may do so by contacting Jennifer Smith, FDOT District Five Title VI Coordinator via email at Jennifer.Smith2@dot.state.fl.us.
