

JOIN US FOR A PUBLIC HEARING ON THURSDAY, SEPTEMBER 19, 2019

MetroLife Church

910 S. Winter Park Dr., Casselberry, FL 32707

PROPOSED IMPROVEMENTS

The Florida Department of Transportation (FDOT) is proposing safety improvements at the intersection of Semoran Boulevard and Cassel Creek Boulevard. Based on a qualitative assessment performed at this location in January 2017, it was recommended that the current median opening be closed. This will remove the left turn lanes into Cassel Creek Boulevard and Lake Howell Arms. Traffic exiting those roadways will still be able to turn right onto Semoran Boulevard. This modification improves safety in the area by reducing the number of conflict points at this location.

A court reporter will be present to record proceedings, and assist with comments, as part of the project record. Written comments can be submitted at the hearing, sent by mail to Dave Mixon, Florida Department of Transportation, 719 S. Woodland Boulevard M.S. 562, DeLand, FL 32720; or, emailed to Dave.Mixon@dot.state.fl.us no later than Monday, September 30, 2019. All written and oral comments will become part of the project's public record.

Public participation is solicited without regard to race, color, national origin, age, sex, religion, disability or family status. Persons wishing to express their concerns relative to FDOT compliance with Title VI may do so by contacting Jennifer Smith, FDOT District Five Title VI Coordinator via email at Jennifer.Smith2@dot.state.fl.us.
