## **CR 484 Improvement Project**

Marion County, FL --- The Florida Department of Transportation's (FDOT) Improvement Project on CR 484 from I-75 to CR 467, is scheduled to begin **January 16, 2008**.

This \$13.1 million project consist of widening 4.9 miles of CR 484 from two to four lanes, replacing signals, milling of existing pavement, new signage, and drainage system improvements.

The work, to be performed by Steven Counts Inc. crews and their subcontractors will last approximately 630 calendar days, weather permitting.

Lane closures will be necessary at various times and locations in order for workers to complete this work safely. Lane closures are restricted to non-peak hours, which are: **7:00 p.m.-7:00 a.m.**

The speed limit will be posted at **45 mph** throughout the construction zone and just as friendly reminder; Speeding Fines are double in the Construction Zones. Please use extreme caution and be alert when driving, walking or biking through the construction area. Motorists should be alert for lane shifts or closures, and for construction equipment entering and leaving the highway.
