STATE ROAD 50 BRIDGE WORK –LANE CLOSURE UPDATE

OCOEE – Crews will close a portion of State Road (S.R.) 50 overnight *Tuesday, June 9 into Wednesday morning June 10, 2009*. The overnight closure, from 7pm-to-6am, will allow Hubbard Construction time to expedite repairs to a bridge approach, damaged during a severe thunderstorm over the weekend.

The section of roadway lies between Apopka Vineland Road and Good Homes Road near Ocoee, and is currently under construction as part of a road widening project. Due to the washout, traffic is currently limited to one lane in each direction. However, starting *tomorrow morning*, plans are underway to re-open the second eastbound lane of S.R. 50, in time for morning rush hour traffic heading into Orlando.

Motorists traveling in the area are advised to use caution, be patient and watch for detours near the construction site. During the upcoming overnight road closure, traffic will be detoured to the north, to Silver Star Road and to S.R. 408, to the south.
