FPID 408429-2 | U.S. 17/92 Improvements Jan. 22, 2019 Public Information Open House

U.S. 17/92 (ORLANDO AVENUE) (ALSO KNOWN AS STATE ROAD (S.R.) 15/S.R. 600) FROM SOUTH OF NOTTINGHAM STREET TO SOUTH OF MONROE AVENUE | ORANGE COUNTY, FL FPID: 408429-2

PUBLIC INFORMATION OPEN HOUSE HANDOUT

Welcome to the Florida Department of Transportation (FDOT) public information open house for improvements to State Road 15/600, U.S. 17/92 (also known as Orlando Avenue) from south of Nottingham Street to South of Monroe Avenue in Orange County.

The Project proposes modifications to U.S. 17/92, primarily within the limits of the City of Winter Park. The modifications are included in the City of Winter Park Traffic and Transportation Plan to address safety and improve pedestrian mobility. Proposed improvements include:

- Roadway modification from Orange Avenue to Webster Avenue will include four 11-foot travel lanes, one 12-foot bi-directional unrestricted center turn lane, and 10-foot-wide sidewalks
- Restore concrete pavement and reconstruct signalized intersections at Fairbanks Avenue, Morse Boulevard and Webster Avenue
 - » Landscaping and streetscaping improvements will be implemented at these intersections and other locations on the corridor
- Upgrade the existing storm sewer system within the project limits
- Evaluate access management improvements between Lee Road and Monroe Avenue:
 - Modifications to existing median openings at Glendon Parkway and Elvin Avenue
 - » Conduct a signal warrant analysis for the Solana Avenue intersection
- Evaluate locations for mid-block pedestrian crossings with raised medians

The project is not currently funded for construction.

- Reconstruct Fairbanks Avenue, Morse Boulevard, and Webster Avenue intersections
- Upgrade storm sewer drainage system

U.S. 17/92 from Lee Road to Monroe Avenue

Existing

Proposed

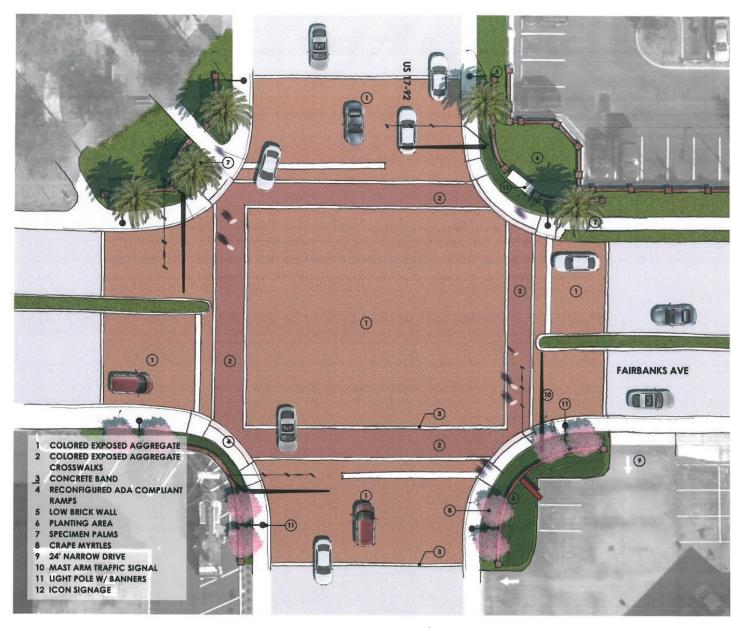

Proposed Improvements:

- Rehabilitate roadway travel lanes
- Evaluate modifications to existing median openings
- Upgrade storm sewer drainage system

Landscape/Streetscape Opportunities

Source: Community Solutions Group, City of Winter Park U.S. 17/92 & Fairbanks Intersection Landscape Concept

This project includes landscaping and streetscaping opportunities as we reconstruct the Fairbanks Avenue, Morse Boulevard, and Webster Avenue intersections. FDOT and the City of Winter Park are working together to identify additional aesthetic, landscaping, streetscaping, and lighting improvements to revitalize the U.S. 17/92 corridor.
