

State Road (S.R.) 528 & U.S. 1 Drainage Improvements

PUBLIC MEETING

Tuesday, March 5, 2019

5:30 p.m. – 7:30 p.m.

Cocoa First Assembly of God Church
Gymnasium
3757 N. US Hwy. 1
Cocoa, FL 32926

On behalf of the Florida Department of Transportation (FDOT), you are invited to attend an open house about proposed drainage improvements to an existing ditch along State Road (S.R.) 528 from U.S. 1 to the Indian River Lagoon. Drainage improvements will also restore proper water flow to the area, including across the Florida East Coast (FEC) railroad near the S.R. 528 and U.S. 1 interchange. The purpose of the open house is to present the potential improvement concept, and for interested persons to get involved with the project by providing feedback and comments to the department's design team.

You may arrive at any time between 5:30 p.m. and 7:30 p.m. During the open house, displays and other project information will be available for review. There also will be a looping presentation and staff will be available to discuss the project. Participants may provide public comments, verbal and/or written, at any time. If submitted by mail, please send your comments no later than March 19, 2109 to William Umlauf, P.E., 1511 East SR.434, Suite 1001, Winter Springs, FL 32708.
