# Technical Information - Issues

Report technical issues by using the question pane

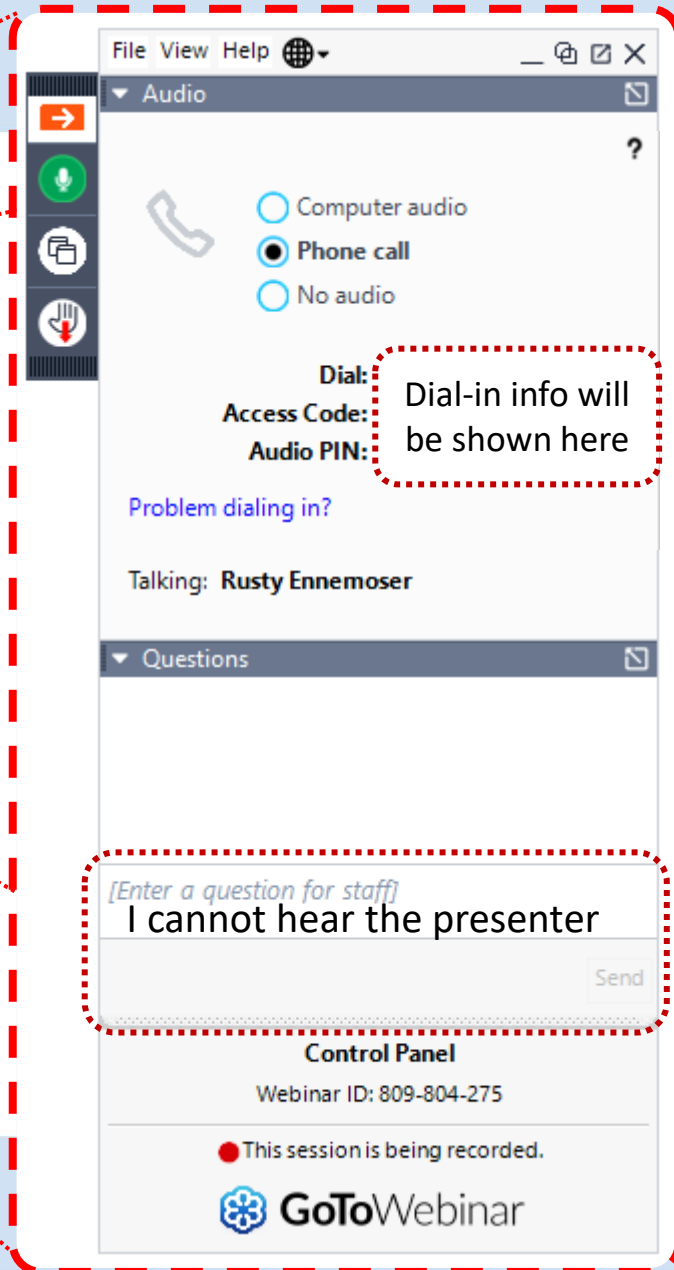

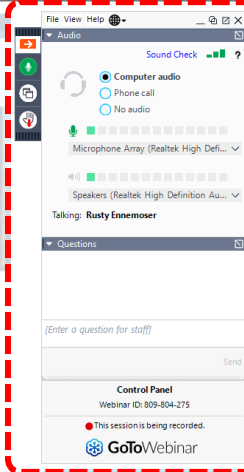

This meeting is being recorded and will be posted to the project website at [www.cflroads.com/project/442881-1](http://www.cflroads.com/project/442881-1)

# Technical Information

If you are having audio issues, you can still join the audio portion of the meeting using your telephone.

# Technical Information - Providing Comments

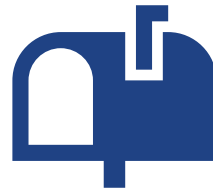

## During meeting

Comment  
directly into  
the question  
pane

A screenshot of a web application interface. At the top, there is a tab labeled "Questions" with a dropdown arrow and a small icon. Below the tab is a large text area. A red dashed rectangle highlights a portion of this text area, containing the placeholder text "[Enter a question for staff]" and the user input "I have a comment regarding". To the right of the text area is a "Send" button.

#### About

The purpose of this project is to resurface eastbound Montreal Avenue (State Road (S.R.) 518) from U.S. 1 to Pineapple Avenue. Improvements also include restriping to provide parking spots on the northside Montreal Avenue, wider travel lanes, and a bicycle lane on the southside of Montreal Avenue.

#### Project Details

|                   |                        |
|-------------------|------------------------|
| <b>Work Type:</b> | Resurfacing            |
| <b>Phase:</b>     | Design                 |
| <b>Length:</b>    | .316 miles             |
| <b>City:</b>      | Melbourne              |
| <b>County:</b>    | Brevard                |
| <b>Road:</b>      | SR 5<br>SR 518<br>US 1 |
