

RESURFACING AND SAFETY IMPROVEMENTS

Beville Road (S.R. 400) from Williamson Boulevard to east of Forest Lake Boulevard

Volusia County

PROJECT DESCRIPTION

The Florida Department of Transportation (FDOT) will implement roadway improvements along Beville Road (State Road 400) from Williamson Boulevard (County Road 4009) to east of Forest Lake Boulevard in Daytona Beach, Volusia County. This segment of Beville Road will be repaved to extend the life of the roadway and provide a smoother ride for traveling motorists. Additionally, this project will extend the existing westbound Beville Road left turn lanes onto Williamson Boulevard.

This project will also include new highway signs, new roadway markings, minor drainage upgrades, and traffic signal enhancements. Additional safety improvements will include new crosswalks, pedestrian signals, and pedestrian landings at the Beville Road signalized intersections of Williamson Boulevard and Pelican Bay Drive.

WHAT TO EXPECT

Motorists should expect intermittent single lane closures on eastbound and westbound Beville Road during construction. Electronic message boards and other signage will be used to alert motorists of lane closures.

Pedestrians can expect intermittent sidewalk detours at the Beville Road signalized intersections at Williamson Boulevard and Pelican Bay Drive to accommodate pedestrian traffic around the work area.

The construction schedule may change due to weather or other unforeseen circumstances. For the most current project details, make sure to visit the project page on FDOT's Central Florida Roads website, www.cflroads.com.

Financial Project Identification

(FPID) No. 442906-1

CONTRACTOR

P&S Paving, Inc.

PROJECT COST

\$3 Million

PROJECT START

October 2022

ESTIMATED COMPLETION

Summer 2023
