[www.CFLRoads.com](http://www.CFLRoads.com).  
Search by the FPID number (991900-4).

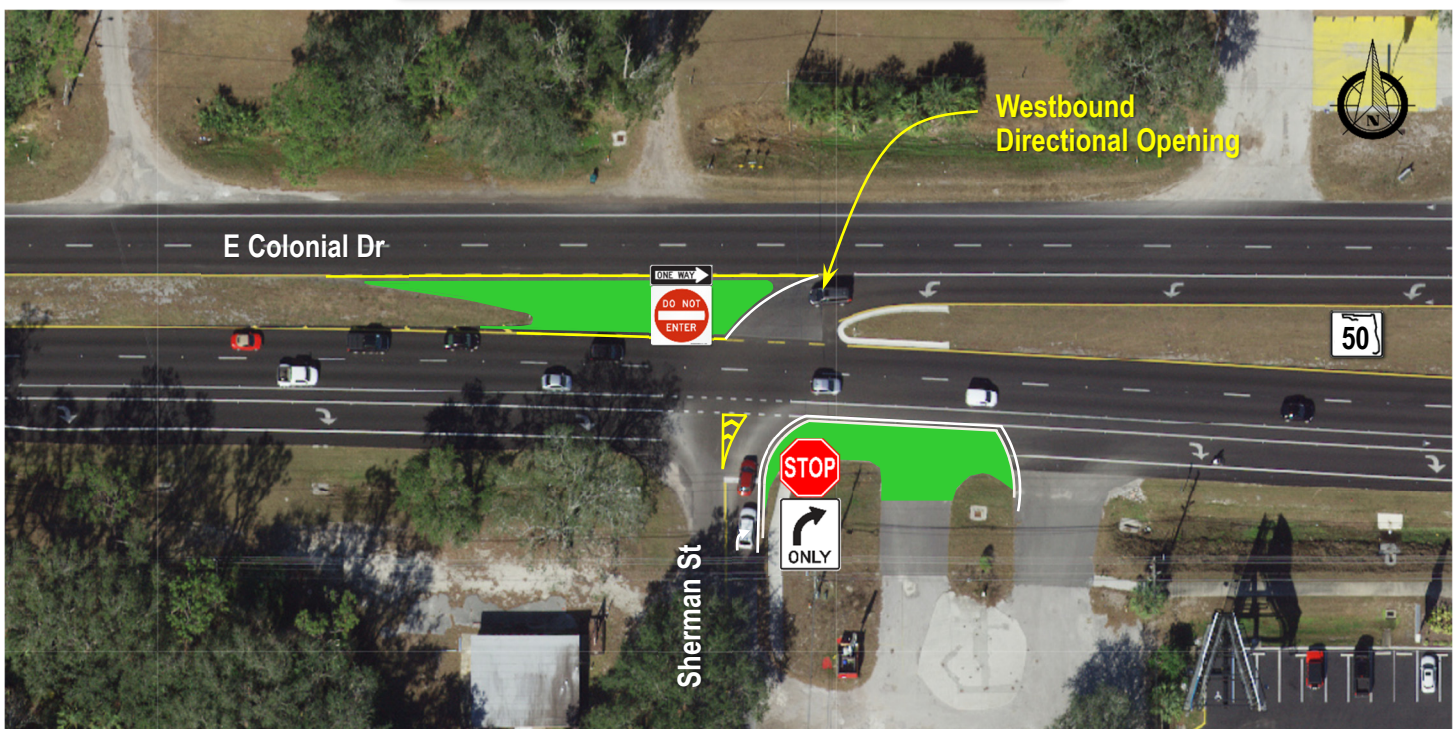

Persons with disabilities who require accommodations under the Americans with Disabilities Act or persons who require translation services (free of charge) should contact Kelly Hiden, public involvement coordinator, by phone at 407-508-0839, or via email at [kelly@valeringroup.com](mailto:kelly@valeringroup.com) at least seven (7) days prior to the meeting. If you are hearing or speech impaired, please contact us by using the Florida Relay Service, 1-800-955-8771 (TDD) or 1-800-955-8770 (Voice).

**E. Colonial Drive (State Road (S.R.) 50) at Sherman Street – Median Modification**

**JOIN US FOR A PUBLIC HEARING ON TUESDAY, April 2, 2019**  
**Family Christian Academy/Genesis Church**  
**15060 Old Cheney Hwy., Orlando, FL 32828**

The Florida Department of Transportation (FDOT) is proposing to improve safety and traffic operations on East Colonial Drive (State Road (S.R.) 50) at the intersection with Sherman Street. A Signal Warrant Study was conducted at this location in November 2018. It was determined that a traffic signal was not warranted, but it was recommended that the full median opening be modified to a directional opening. This will allow westbound vehicles to still turn left onto Sherman Street, but will only allow right turns out of Sherman Street onto East Colonial Drive as shown below. This modification improves safety in the area by reducing the number of conflict points at this location.

**PROPOSED IMPROVEMENT**

One of the most important responsibilities of the FDOT is to ensure that the design of each state road properly balances access and mobility. Access Management is the planning and control of the location, spacing, design and operation of driveways, median openings and street connections to a roadway. Access Management designates where and how vehicles enter and exit a roadway, helps protect public investment in roadways and improves public safety by preserving mobility, reducing delays and minimizing crashes

A court reporter will be present to record proceedings, and assist with comments, as part of the project record. Written comments can be submitted at the hearing, sent by mail to Dave Mixon, at the address shown to the right, no later than Friday, April 12, 2019. All written and oral comments will become part of the project's public record.

*Public participation is solicited without regard to race, color, national origin, age, sex, religion, disability or family status. Persons wishing to express their concerns relative to FDOT compliance with Title VI may do so by contacting Jennifer Smith, FDOT District Five Title VI Coordinator via email at [Jennifer.Smith2@dot.state.fl.us](mailto:Jennifer.Smith2@dot.state.fl.us).*
