

# Florida Department of Transportation (FDOT)

State Road 5/US 1 from South Street to  
Magnolia Avenue/Shangri-La Circle Volusia County

Financial Project No: 430678-1-52-01

## PROJECT DETAILS

The improvements include milling and resurfacing approximately 8 miles of State Road (SR) 5/US 1 from South Street in Oak Hill to Magnolia Avenue/Shangri-La Circle in Edgewater. The project also calls for construction of sidewalks on both sides of the road, the construction of two new aluminum pedestrian bridges and drainage improvements. Additionally, the signalized intersections within the project limits will be upgraded to meet requirements of the Americans with Disabilities Act (ADA).

## LANE CLOSURES

This project will require some daytime and nighttime lane closures and changes in traffic patterns. Electronic message boards and other signage will be used to help alert motorists to upcoming closures. The contractor is also expected to perform shoulder and sidewalk work mostly during the day. Drivers are urged to use caution and stay alert for trucks entering and exiting the roadway.

## PEDESTRIAN & BICYCLE SAFETY

This project includes the construction of new sidewalks on both sides of SR 5/US 1 where sidewalks currently do not exist. The project also calls for creation of new bicycle lanes in certain areas. During construction, pedestrians and bicyclists may need to alter their routes as portions of existing sidewalk may need to be closed for a time. Please do not walk or ride through active work areas.

### AT A GLANCE

<b>Project Start:</b>	<b>August 15, 2016</b>
<b>Estimated Completion:</b>	<b>Winter 2018</b>
<b>Total Cost:</b>	<b>\$10 Million</b>
<b>Contractor:</b>	<b>P&amp;S Paving, Inc.</b>
