

# STATE ROAD (S.R.) 19 (SOUTH BAY STREET)

from Norton Avenue to Lake Saunders Drive

Lake County

Financial Project  
Identification No.:  
439138-1

## PROJECT DESCRIPTION

The Florida Department of Transportation (FDOT) will be resurfacing State Road (S.R.) 19 (South Bay Street) from Norton Avenue to Lake Saunders Drive in Eustis.

The project will also provide new 7-foot-wide buffered bike lanes by restriping the roadway and removing on-street parking. Additionally, the S.R. 19 ramps for U.S. 441 will be resurfaced and the southbound U.S. 441 on ramp to S.R. 19 will be realigned (see inset map).

Other improvements include updates to pedestrian ramps and signals to comply with Americans with Disabilities Act (ADA) requirements, and signing and drainage upgrades.

## WHAT TO EXPECT

During construction, motorists should expect possible lane closures between 7:30 p.m. and 7 a.m. weekdays/weekends. Furthermore, there will be occasional nighttime ramp closures that will require detours. Electronic message boards and other signage will be used to direct traffic around the closures.

Uneven pavement is a common, unavoidable roadway condition with resurfacing projects as the contractor must put down different layers of asphalt during various phases of construction. Motorists are asked to use extra caution while driving through the work zone. Road conditions during construction are temporary and will become less apparent as the project progresses.

Additionally, the level of work activity will vary during different phases of construction, and paving operations will be intermittent. Please note the construction schedule may change due to weather or other unexpected conditions. Current project details and lane closure information can be found on the FDOT Central Florida website [CFLroads.com](http://CFLroads.com).

## AT A GLANCE:

### CONTRACTOR:

D.A.B. Constructors, Inc.

### PROJECT COST:

\$3.5 Million

### PROJECT START:

March 2020

### ESTIMATED COMPLETION:

Early 2021
