

State Road 527 (Orange Avenue) from South of Lake Conway Drive to North of Grant Street

Orange County

Financial Project Identification No.: 437330-1

Project Description

The Florida Department of Transportation (FDOT) will be milling and resurfacing State Road 527 (Orange Avenue) from south of Lake Conway Drive (where Orange Avenue splits into one-way pairs) to north of Grant Street in Orlando.

This project will also include sidewalk curb ramp improvements that comply with Americans with Disabilities Act (ADA) requirements, the installation of signing and pavement markings, pedestrian signal upgrades, minor drainage improvements and streetscape improvements.

The streetscape improvements will consist of constructing medians north of Pineloch Avenue and north of Illiana Street for future landscaping and building curb "bulb-outs" for parking and pedestrian enhancements.

Currently, the project is anticipated to start in early 2019.
