

# Orange Blossom Trail, North and South of Sand Lake Road

Orange County

Financial Project Identification No.: 437592-1

## Project Description

The Florida Department of Transportation (FDOT) will be milling and resurfacing at the intersection of Orange Blossom Trail and Sand Lake Road in Orlando. These roads have multiple designations: State Road (S.R.) 600/S.R. 500/U.S. 441/U.S. 17-92 for Orange Blossom Trail and S.R. 482 for Sand Lake Road.

Additional improvements include drainage upgrades, curb and gutter work, bike lane and sidewalk improvements, traffic signal work, signing/pavement markings, and lighting. Furthermore, the continuous right turn lanes and concrete islands will be modified. Instead of merging into traffic, vehicles will now have to come to a complete stop before turning when the traffic signal is red.

## Lane Closures

Drivers can expect single lane closures between 9 p.m. and 6 a.m. and/or double lane closures between midnight and 5 a.m.

Electronic message boards and other signage will be used to alert motorists to upcoming closures. Access to businesses and/or residences will be maintained.

Please note the schedule may change due to weather or other unexpected conditions. Lane closure information can be found on the FDOT's Central Florida website, [www.cflroads.com](http://www.cflroads.com).

## Contact Information

For questions or concerns, please contact **Shemir Wiles**, public information coordinator, **321-319-8130** or [shemir.wiles@dot.state.fl.us](mailto:shemir.wiles@dot.state.fl.us)

## Fast Facts

### Contractor:

Florida Safety Contractors, Inc.

### Project Cost:

\$1.4 million

### Project Start:

February 2019

### Estimated Completion:

Fall 2019
