

PUBLIC HEARING

Date: Tuesday, July 31, 2018
Time: Open House 5:30 p.m.
 Formal Presentation 6 p.m.
Place: St. Marks United Methodist Church
 2030 North Highway A1A
 Indialantic, Florida 32903

Public participation is solicited without regard to race, color, national origin, age, sex, religion, disability or family status. Persons wishing to express their concerns relative to FDOT compliance with Title VI may do so by contacting FDOT Title VI Coordinator Jennifer Smith, by email at jennifer.smith2@dot.state.fl.us.

The environmental review, consultation, and other actions required by applicable federal environmental laws for this project are being, or have been, carried out by the Florida Department of Transportation (FDOT) pursuant to 23 U.S.C. §327 and a Memorandum of Understanding dated December 14, 2016, and executed by the Federal Highway Administration and FDOT.

Florida Department of Transportation (FDOT) district five invites you to a public hearing regarding safety improvements on State Road (S.R.) A1A/Miramar Avenue. The purpose of this project is to increase bicycle and pedestrian safety by adding 11 raised concrete pedestrian mid-block crossings, and enhancing one existing crossing, within the median along S.R. A1A/Miramar Avenue at various locations from U.S. 192/S.R. 500 (5th Avenue) to south of Atlantic Boulevard (see map). Construction of the new pedestrian crossings will include signs, Rectangular Rapid Flashing Beacons, crosswalks, curb ramps, lighting, and pavement markings. The existing crossing is located south of 2nd Avenue, where additional safety features will be added. Sidewalk additions and sod modifications will also occur within the project limits to enhance beach access. Improvements also include minor drainage work. This project will not require right of way acquisition.

Rectangular Rapid Flashing Beacons consist of two rapidly and alternately flashing rectangular yellow indicators which function as a warning beacon. To use this device, you press the call button to activate the flashing lights. Then, wait a few additional seconds to give motorists a chance to clear the intersection before crossing.

The public hearing will be held on Tuesday, July 31, at St. Marks United Methodist Church, 2030 North Highway A1A, Indialantic, Florida, 32903. The hearing will begin with an open house at 5:30 p.m. A formal presentation will begin at 6 p.m., followed by a public comment period. The purpose of this hearing is to introduce the project, present the design concepts and seek public input. A court reporter will prepare a verbatim transcript of the proceedings.

Persons wishing to submit written statements or other exhibits, in place of or in addition to oral statements, may do so at the hearing or by sending them to FDOT Project Manager Megan Owens, 719 South Woodland Boulevard, DeLand, Florida 32720, or by email at megan.owens@dot.state.fl.us. All exhibits or statements postmarked, or emails received on or before August 3, 2018, will become part of the public hearing record.

If you have questions or would like to have more information about this project, please contact FDOT Project Manager Megan Owens at 386-943-5140 or by email at megan.owens@dot.state.fl.us. You may also contact Consultant Project Manager Rodger Schmidt, P.E., by phone at 407-660-6406 or by email at schmidtrp@cdmsmith.com.

Persons with disabilities who require accommodations under the Americans with Disabilities Act or persons who require translation services (free of charge) should contact FDOT Project Manager Megan Owens by phone at 386-943-5140 or via email at megan.owens@dot.state.fl.us, at least seven (7) days prior to the public hearing. If you are hearing or speech impaired, please contact us by using the Florida Relay Service, 1-800-955-8771 (TDD) or 1-800-955-8770 (Voice).
