Tuesday, February 21, 2017 5:00 p.m. – 7:00 p.m.

The Florida Department of Transportation will conduct a Public Hearing for the proposed safety improvements on SR 464/SE Maricamp Road at SE 53rd Avenue/Rotary Sportsplex, in Marion County. The project addresses operational and safety concerns in the area by converting the full median opening to a directional median opening at SE 53rd Avenue, closing the median at the Ocala Birth Center driveway, and extending the left turn lane into Dunkin' Donuts/Skate Mania driveway. This modification reduces traffic conflict points and separates turning movements along this section of SR 464/Maricamp Road, improving safety.

This public hearing is being conducted to give interested persons an opportunity to express their views concerning the location, conceptual design, and social, economic, and environmental effects of the proposed improvements. Draft project documents will be available for public review from January 31, 2017 to March 3, 2017 at the Marion County Library Headquarters-Ocala, 2720 E. Silver Springs Blvd., Ocala, FL 34470.

Participants may provide verbal comments directly to a court reporter before and after the formal presentation. Persons wishing to submit statements, in place of or in addition to oral statements, may do so at the hearing or by sending them to:

Dave Mixon, Florida Department of Transportation, District Five Traffic Operations, 719 S. Woodland Boulevard, M.S. #562, DeLand, FL 32720 or Dave.Mixon@dot.state.fl.us.

All statements postmarked on or before March 3, 2017 will become part of the Public Hearing record.

Public participation is solicited without regard to race, color, national origin, age, sex, religion, disability or family status.
