PROPOSED IMPROVEMENTS

The Florida Department of Transportation (FDOT) is proposing to improve safety and traffic operations along S.R. 436 between Spring Oaks Boulevard and Montgomery Road by removing the westbound left turn lane into the Ashby's Square shopping plaza and lengthening the two eastbound left turn lanes onto northbound Montgomery Road. This will eliminate left turning traffic at Montgomery Road overflowing into the inside through lane on eastbound S.R. 436, improving safety and traffic operations at the Montgomery Road signal.

Participants may provide verbal comments directly to a court reporter before and after the formal presentation. Written comments can be submitted at the hearing, sent by mail to Dave Mixon, FDOT District Five Traffic Operations, 719 S. Woodland Boulevard, M.S. #562, DeLand, FL 32720, or emailed to Dave.Mixon@dot.state.fl.us, by October 1, 2018. All comments written and oral will become part of the project's public record.

Public participation is solicited without regard to race, color, national origin, age, sex, religion, disability or family status. Persons wishing to express their concerns relative to FDOT compliance with Title VI may do so by contacting Jennifer Smith, FDOT District Five Title VI Coordinator via email at Jennifer.Smith2@dot.state.fl.us.
