

ROADWAY IMPROVEMENTS

Washington Street (S.R. 526) from Orange Blossom Trail to I-4

Orange County

PROJECT DESCRIPTION

The Florida Department of Transportation (FDOT) will enhance safety on Orange Blossom Trail by resurfacing travel lanes from Washington Street (S.R. 526) to I-4. Additional enhancements will reduce travel lane widths and improve pedestrian safety through the installation of high visibility crosswalks as well as improved intersection lighting.

WHAT TO EXPECT

During construction, motorists should expect daytime and nighttime lane closures and detours on weekdays and weekends. Electronic message boards and other signage will be used to direct traffic through the work zone. Road conditions during construction will become less apparent as the project progresses. Motorists are asked to exercise caution and reduce their speed while driving through the work zone. Due to construction, there might be some noise around the area.

The contractor will maintain pedestrian access to sidewalks during construction using signed detours, traffic control devices, and/or temporary walkways and ramps, when appropriate. The construction schedule may change due to weather, special events, and other unexpected conditions. For the most current project details, visit the project pages on FDOT's Central Florida Roads website, www.cflroads.com.

**Financial Project Identification
(FPID) No.:** 448789-1

CONTRACTOR

Gibbs & Register, Inc.

PROJECT COST

\$1.6 Million

PROJECT START

January 2024

ESTIMATED COMPLETION

Spring 2024
