

Interstate 75 PD&E Study

From SR 200 to SR 326 in Marion County
FM No. 452074-1

Cultural Resource Assessment Survey

The I-75 Project Development and Environment (PD&E) Study may involve archaeological sites recorded in the Florida Master Site File. Pursuant to Chapter 267.135, Florida Statutes, the location of an archaeological site is exempt from public record (Florida Sunshine Law). The Florida Department of Transportation does not release the location of archaeological sites without authorization from the Florida Department of State, Division of Historical Resources.

For information regarding archaeological sites potentially impacted by the Preferred Alternative, please contact the State Historic Preservation Officer, Ms. Alissa Slade Lotane, at alissa.lotane@dos.myflorida.com. Please reference "FM No. 452074-1 (I-75 North PD&E Study)" in all correspondence to Ms. Lotane. The Division of Historical Resources will provide you with any information that is not exempt from public disclosure.
