

East South Street (S.R. 15) Resurfacing

From Crystal Lake Drive to Mills Avenue

Orange County

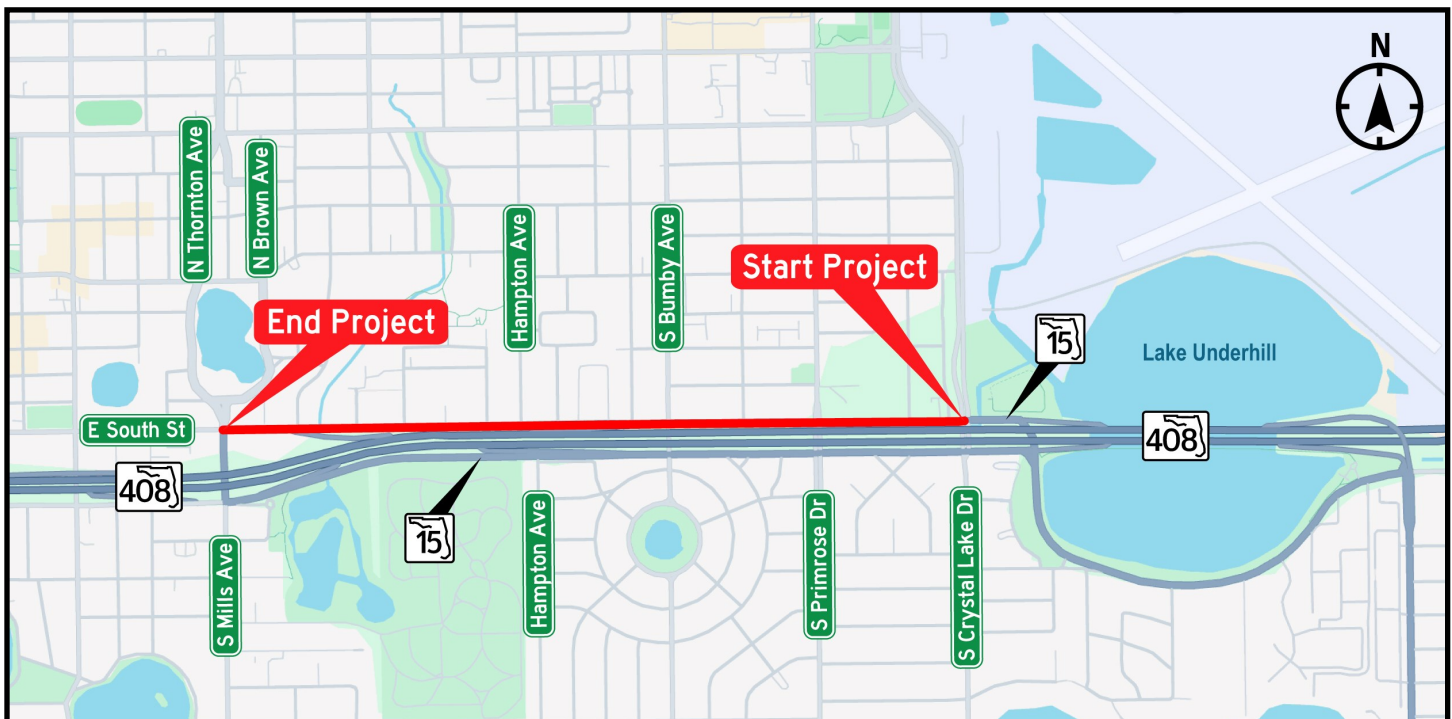

Financial Project Identification (FPID) Number: 452639-1

Project Description

The Florida Department of Transportation (FDOT) is proposing improvements along East South Street (westbound State Road (S.R.) 15), from Crystal Lake Drive to Mills Avenue in Orlando.

The purpose of this maintenance project is to extend the service life of the existing roadway by repaving all travel lanes within the project limits. Additionally, the project will upgrade existing curb ramps where possible to comply with current Americans with Disabilities Act (ADA) standards, as well as make any necessary updates to existing pavement markings and signage along the corridor.
