ROADWAY RESURFACING

I-95 from Citrus Boulevard to the Addison Canal

Brevard County

Financial Project Identification (FPID) No.:
451594-1

PROJECT DESCRIPTION

The Florida Department of Transportation (FDOT) is resurfacing Interstate 95 (I-95) from Citrus Boulevard to the Addison Canal between Cocoa and Titusville in Brevard County. The project includes the resurfacing of all travel lanes, ramps in both directions, and select shoulders along the corridor, including the ramps at the State Road (S.R.) 407 and Port St. John Parkway interchanges.

FDOT is also upgrading existing curb ramps at Port St. John Parkway to meet current Americans with Disabilities Act (ADA) standards, replacing or updating select sections of existing guardrail along the corridor to enhance safety, and installing wrong-way vehicle detection systems on select ramps.

CONTRACTOR
Masci General Contractors, Inc.

PROJECT COST
$15 million

PROJECT START
March 2027

ESTIMATED COMPLETION
December 2027

WHAT TO EXPECT

During construction, motorists can expect intermittent single-lane closures during active work periods, as well as nighttime double-lane closures on I-95 between 8 p.m. and 7 a.m. Interchange ramp closures may also occur between 8 p.m. and 6 a.m. Motorists are advised to use caution and remain alert when traveling through the work zone.

Electronic message boards and other signage will direct motorists through the work zone. Work activity and noise levels will vary throughout the different phases of construction. Motorists should also anticipate areas of uneven pavement within the project limits, a common condition during construction when the contractor applies multiple asphalt layers in phases. Many of these roadway conditions are short-term and will gradually improve as the project progresses.

Please note that the construction schedule is subject to change due to inclement weather or other unforeseen circumstances. For the most current project details and lane closure information, please visit FDOT's Central Florida website at www.cflroads.com.
