

Edgewater Drive and John Young Parkway Maintenance Resurfacing

Orange County

Financial Project Identification (FPID) Nos.: 452881-I and 452911-I

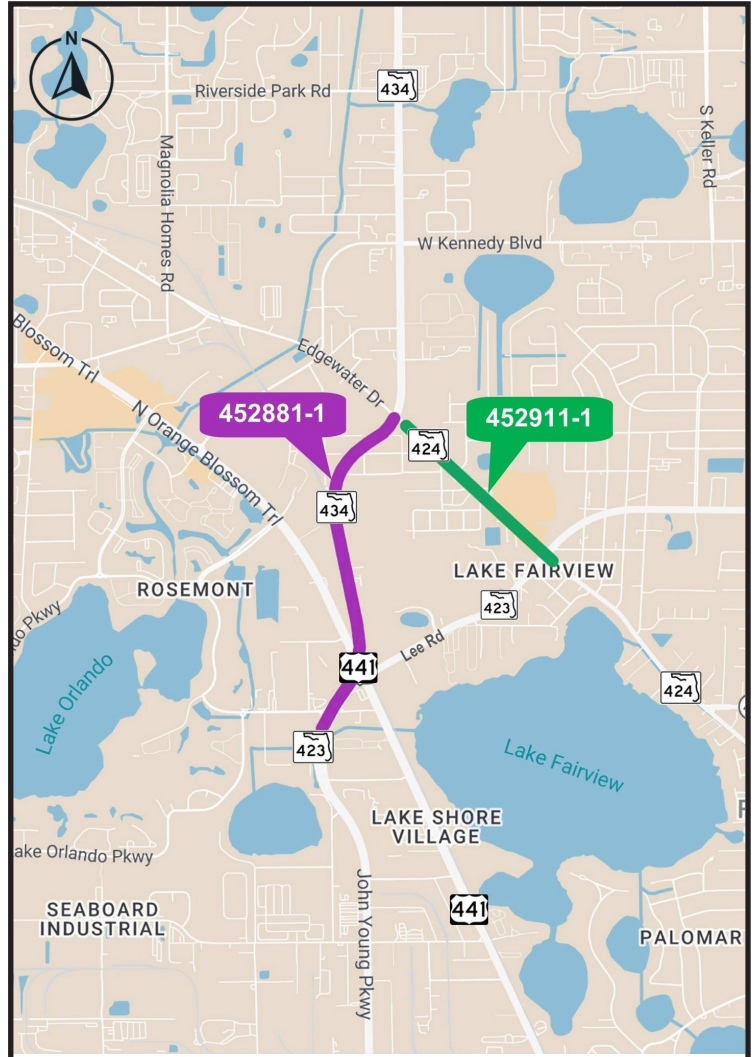

Project Description

The Florida Department of Transportation (FDOT) is planning improvement projects on Edgewater Drive (State Road (S.R.) 424) and John Young Parkway (S.R. 434) in Orange County. The purpose of the projects is to rehabilitate the asphalt to maintain a safe and reliable driving surface.

The first project will resurface John Young Parkway from south of U.S. 441 (Orange Blossom Trail) to Edgewater Drive (FPID No. 452881-1). On Edgewater Drive, FDOT will repave the roadway from south of Lee Road (S.R. 423) to south of John Young Parkway (FPID No. 452911).

Additional improvements on both projects include reconstructing pedestrian curb ramps as needed in accordance with Americans with Disabilities Act (ADA) standards.

The projects are expected to be constructed together under one contract.
