

U.S. 1 Maintenance Resurfacing

from Taylor Avenue to Woodland Avenue &
from Woodland Avenue to the Flagler County line

Volusia County

Financial Project Identification (FPID) Numbers:
452908-1 & 452908-2

452908-1

452908-2

Project Description

The Florida Department of Transportation (FDOT) plans to repave U.S. 1 from Taylor Avenue to Woodland Avenue (FPID No.: 452908-1) and from Woodland Avenue to the Flagler County line (FPID No.: 452908-2) in Holly Hill and Ormond Beach. The goal of these projects is to maintain a safe and reliable asphalt surface.

The 452908-1 project will repave both sides of U.S. 1 from Taylor Avenue to Woodland Avenue. The 452908-2 project will repave northbound U.S. 1 from Woodland Avenue to north of Nova Road (State Road (S.R.) 5A). The southbound lanes will be repaved from Woodland Avenue to south of Pine Tree Drive and from north of Destination Daytona Lane to the Flagler County line.

The segment of U.S. 1 between Pine Tree Drive and Destination Daytona Lane will be reconstructed as part of the Interstate 95 (I-95) at U.S. 1 interchange reconstruction project (FPID No.: 419772-3).

Both projects will also upgrade pedestrian curb ramps, as needed, to meet current Americans with Disabilities Act (ADA) standards.
