

BRIDGE REHABILITATION

S.R. 3 Movable Bridge Rehabilitation

Brevard County

Financial Project
Identification
(FPID) No.:
451718-1

PROJECT DESCRIPTION

The Florida Department of Transportation (FDOT) is rehabilitating the double-leaf bascule bridge on State Road (S.R.) 3 (Courtenay Parkway) in Merritt Island, commonly known as the Christa McAuliffe Bridge.

Improvements include the rehabilitation of select essential electrical and mechanical components. Other enhancements include a new control system, replacement of underwater cables, and the installation of new traffic safety gates to help ensure smoother, safer operations.

WHAT TO EXPECT

During construction, intermittent single-lane closures may occur Monday through Friday between 8 a.m. and 3 p.m.

Electronic message boards and other signage will direct traffic through the work zone. The level of work activity and noise will vary during different construction phases. Please note that the construction schedule is subject to change due to weather or other unforeseen conditions. For the most current project details and lane closure information, please visit FDOT's Central Florida website at www.cflroads.com.

CONTRACTOR

Seacoast, Inc.

PROJECT COST

\$10.9 million

PROJECT START

July 2026

ESTIMATED COMPLETION

Early 2027
