

CLEARING AND GRUBBING

Ellis Road from west of John Rodes Boulevard to west of Wickham Road

Brevard County

**Financial Project
Identification
(FPID) No.:**
426905-5

PROJECT DESCRIPTION

The Florida Department of Transportation (FDOT) will be clearing vegetation, debris, and other materials within the right-of-way along Ellis Road (St. Johns Heritage Parkway) from west of John Rodes Boulevard to west of Wickham Road in Melbourne and West Melbourne.

Erosion control measures will be implemented, and once clearing and grubbing are complete, performance turf will be installed. This project serves as preparation for upcoming utility construction and relocation activities related to the Ellis Road widening project ([426905-4](#)), which is scheduled to begin in spring 2026.

The project is being completed through a partnership with Brevard County, the cities of Melbourne and West Melbourne, the Space Coast Transportation Planning Organization (SCTPO) and Melbourne International Airport.

WHAT TO EXPECT

During construction, motorists can expect intermittent single lane closures between 8:30 a.m. and 4 p.m., and between 7:30 p.m. and 6:30 a.m.

Electronic message boards and other signage will direct traffic through the work zone. The level of work activity and noise will vary during different construction phases. Please note that the construction schedule is subject to change due to inclement weather or other unforeseen circumstances.

For the most current project details and lane closure information, please visit FDOT's Central Florida website at www.cflroads.com.

CONTRACTOR

Collins Land Services, LLC.

PROJECT COST

\$1.1 million

PROJECT START

July 2025

ESTIMATED COMPLETION

Fall 2025
