

South Babcock Street (S.R. 507) Resurfacing From Palm Bay Road to Melbourne Avenue

Brevard County

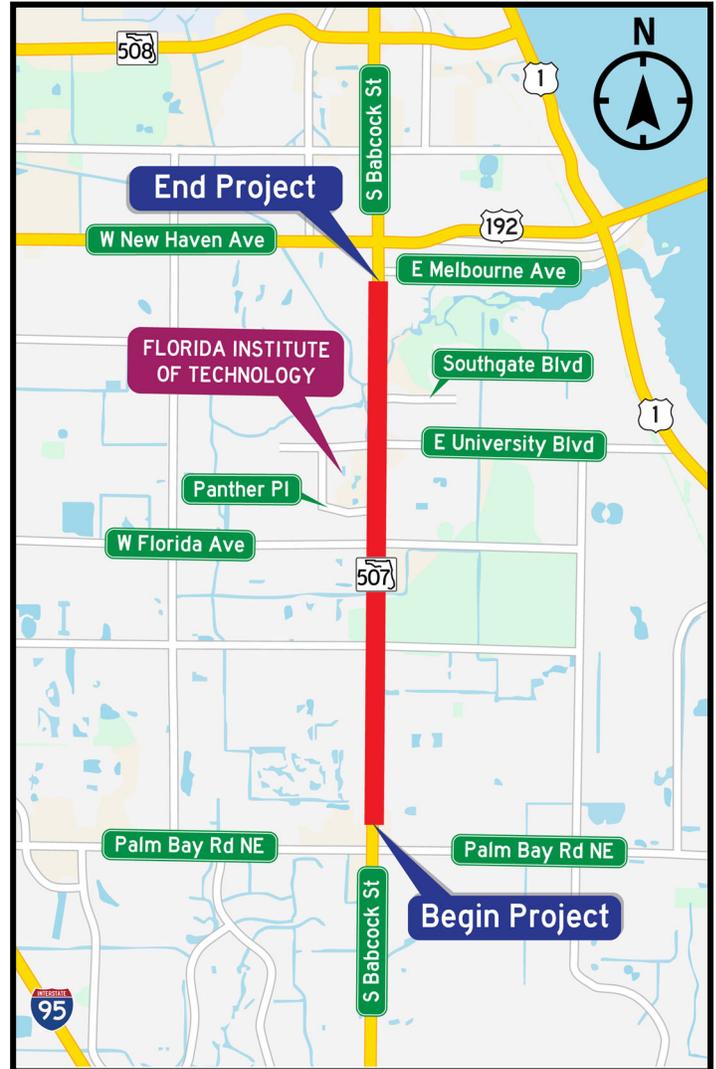

Financial Project Identification (FPID) Number: 452864-1

Project Description

The Florida Department of Transportation (FDOT) is proposing improvements along South Babcock Street (State Road (S.R.) 507) from north of Palm Bay Road (County Road 516) to Melbourne Avenue in Brevard County. The purpose of this project is to extend the service life of the roadway and enhance safety for pedestrians and drivers along South Babcock Street.

Proposed Improvements include:

- Resurfacing all travel lanes to extend the life of the roadway.
- Installing a new signalized midblock crossing at South Babcock Street and Panther Place featuring a Pedestrian Hybrid Beacon (PHB) with pedestrian-activated signals, flashing lights, and audible alerts for accessibility.
- Upgrading pedestrian signals and detectors at signalized intersections to enhance safety.
- Enhancing intersection lighting at Florida Avenue, University Boulevard, and Southgate Boulevard. New lighting is also proposed north of University Boulevard and at the new midblock crossing at Panther Place.
- Updating pavement markings and signage and to guide both drivers and pedestrians.
- Reconstructing sidewalk curb ramps to meet current Americans with Disabilities Act (ADA) standards.
