State Road (S.R.) 518 Safety Improvements

S.R. 513 to S.R. A1A Brevard County

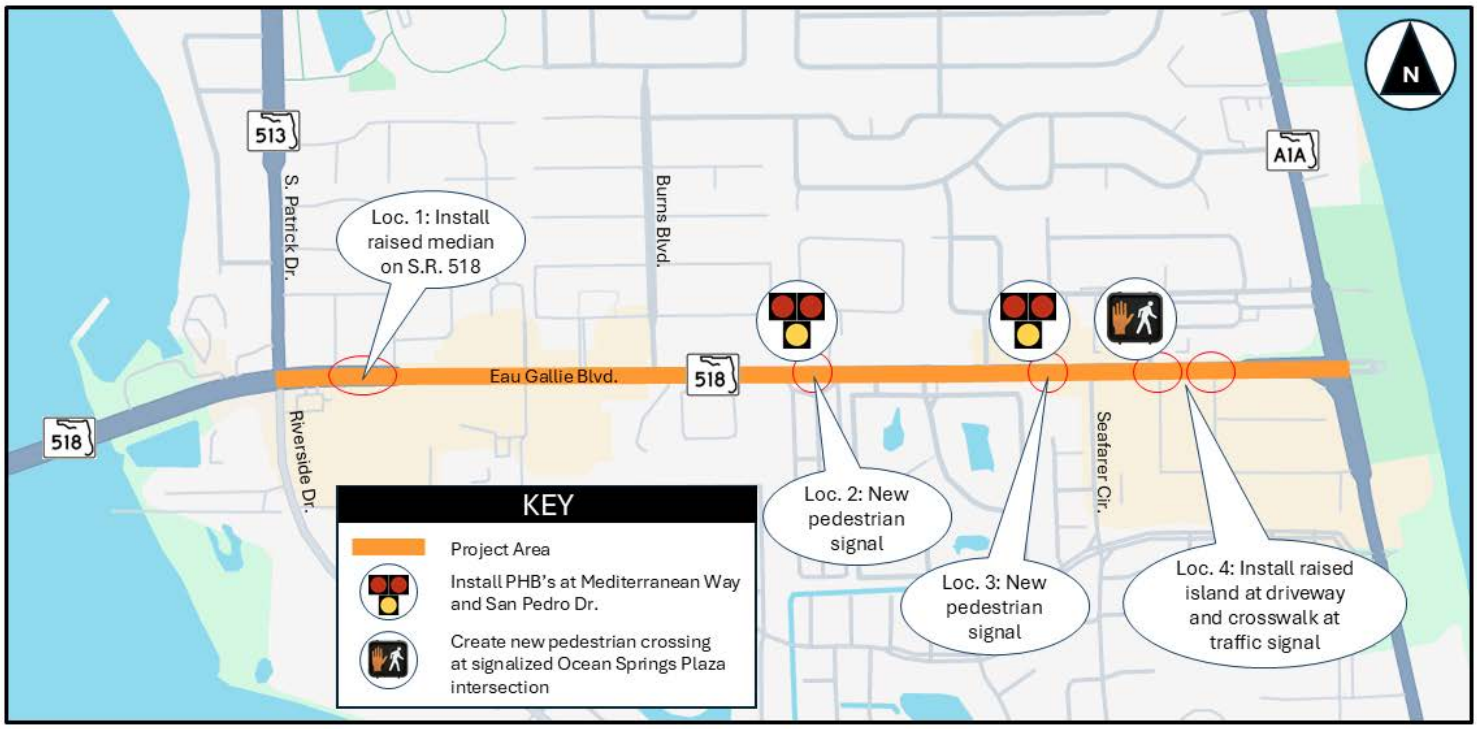

Financial Project Identification (FPID) Number 454893-1

PROJECT DESCRIPTION

The Florida Department of Transportation (FDOT) is proposing operational and safety improvements along State Road (S.R.) 518 (Eau Gallie Bouevard) from S.R. 513 to S.R. A1A in Brevard County. The purpose of this project is to implement recommendations from a Pedestrian Safety Study that will enhance safety for pedestrians and drivers along S.R. 518.

PROPOSED IMPROVEMENTS INCLUDE

- Location 1 – Indian Harbour Place and Causeway shopping centers, east of Riverside Drive: Install a raised median to help reduce left-turn and angle crashes.
- Location 2 – West of Mediterranean Way: Install a new signalized pedestrian crossing.
- Location 3 – San Pedro Drive: Install a new signalized pedestrian crossing.
- Location 4 – Ocean Springs Plaza: Install a raised channelizing island to reduce angle crashes near McDonald's and add a new pedestrian crossing at the existing traffic signal.
