

ROADWAY IMPROVEMENTS

Financial Project
Identification
(FPID) No.:
437451-1

West Vine Street (S.R. 530/U.S. 192) from east of Shingle Creek Regional Park
to east of Hoagland Boulevard

Osceola County

PROJECT DESCRIPTION

The Florida Department of Transportation (FDOT) will be making roadway improvements along West Vine Street (S.R. 530/U.S. 192) (also known as West Irlo Bronson Memorial Highway) from east of the Shingle Creek Regional Park to east of Hoagland Boulevard.

Work will include the addition of a second left turn lane from eastbound West Vine Street while to northbound Hoagland Boulevard. The traffic signals at the Hoagland Boulevard intersection will be upgraded to steel mast arms with illuminated street signs.

WHAT TO EXPECT

During construction, motorists should expect lane closures and detours during weekdays and weekends. Electronic message boards and other signage will be used to direct traffic through the work zone. Road conditions during construction will become less apparent as the project progresses. Motorists are asked to exercise caution and reduce their speed while driving through the work zone.

The contractor will maintain pedestrian access to sidewalks during construction using signed detours, traffic control devices, and/or temporary walkways and ramps, when appropriate. The construction schedule may change due to weather or other unexpected conditions. For the most current project details, make sure to visit the project pages on FDOT's Central Florida Roads website, www.cflroads.com/project/437451-1.

CONTRACTOR
ACCE JV, LLC

PROJECT COST
\$2.1 Million

PROJECT START
October 2021

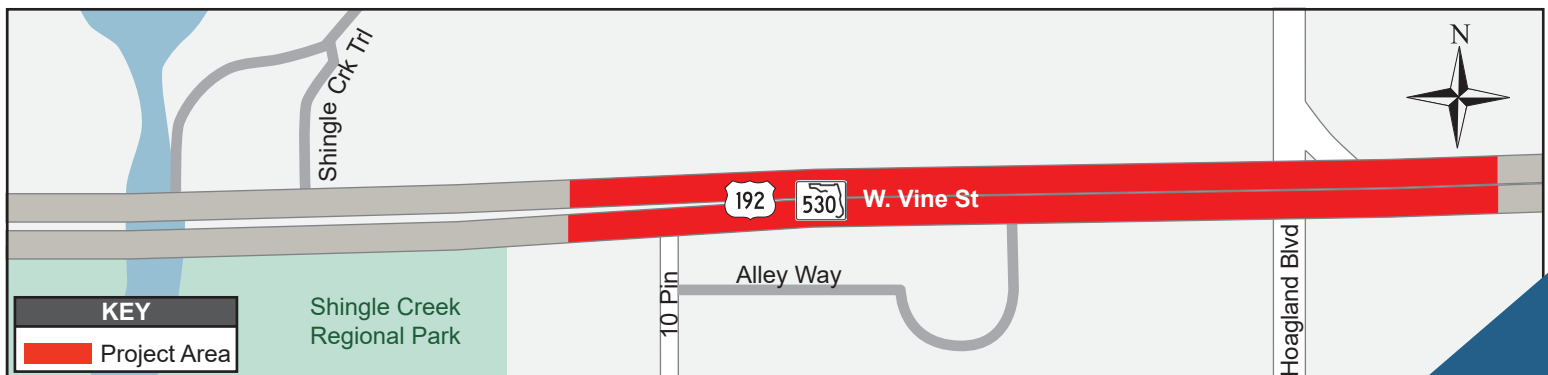

ESTIMATED COMPLETION
Summer 2022
