

ROADWAY RESURFACING

S.R. 19/S. Central Avenue from Golden Gem Drive to south of Palmetto Street

Lake County

Financial Project Identification
(FPID) No.: 437938-1

PROJECT DESCRIPTION

The Florida Department of Transportation (FDOT) will provide resurfacing and roadway improvements on State Road (S.R.) 19 from Golden Gem Drive to south of Palmetto Street in the city of Umatilla.

Work will consist of resurfacing all travel lanes, shoulders, and on-street parking areas. Additionally, new traffic signals will be installed at the intersections of S.R. 19 & Cassidy Street, and S.R. 19 & Bulldog Lane. Other improvements include pedestrian curb ramp and sidewalk reconstruction, as well as drainage, signage, and pavement marking improvements.

WHAT TO EXPECT

During construction, motorists should expect lane closures and detours on weekdays and weekends. Electronic message boards and other signage will be used to direct traffic through the work zone.

Uneven pavement is a common condition with projects that require temporary asphalt pavement or resurfacing, as the contractor must put down different layers of asphalt during various phases of construction. Motorists are asked to exercise caution and reduce their speed while driving through the work zone.

The construction schedule may change due to weather or other unexpected conditions. For the most current project details and lane closure information, visit FDOT's Central Florida Roads website, www.cflroads.com.
