

INTERSECTION IMPROVEMENTS

Financial Project
Identification No.:
441000-1

U.S. 1 at Jordan Boulevard

Brevard County

PROJECT DESCRIPTION

The Florida Department of Transportation (FDOT) is making improvements to the intersection of U.S. 1 and Jordan Boulevard in Malabar. Improvements include resurfacing the roadway and upgrading the current traffic signal system of poles and cables to a mast arm system. Other project improvements include minor drainage work, new signage, and pavement markings. Americans with Disabilities Act (ADA) upgrades to sidewalks and curb ramps will also be completed.

WHAT TO EXPECT

Throughout the duration of the project, motorists can anticipate daytime and nighttime road work. Nighttime lane closures can be expected between 8 p.m. and 6:30 a.m. for paving operations. Electronic message boards and other signage will help direct traffic through lane closures. Motorists are asked to use extra caution while driving through the work zone. Road conditions during construction are short-term and will become less apparent as the project progresses.

The contractor will maintain pedestrian access to sidewalks during construction using signed detours, and/or temporary walkways and ramps, when appropriate. Additionally, the level of work activity will vary during different phases of construction, and paving operations will be intermittent. Please note the construction schedule may change due to weather or other unexpected conditions.

Please be advised it is the property owner's responsibility to remove or relocate any privately owned irrigation, landscaping, decorations, and/or fencing within FDOT right of way before the start of construction. FDOT reserves the right to cut and cap any irrigation and remove any items that conflict with the planned work in the right of way. If there are questions about whether you may have items within the right of way, please reach out to the contact above.

To stay up to date on traffic impacts, including lane closures and detours, please visit the project webpage at , www.cflroads.com.

CONTRACTOR

Carr Construction, LLC

PROJECT COST

\$680,000

PROJECT START

Spring 2021

ESTIMATED COMPLETION

Fall 2021
