Right of Way Requirements

More information is available online:

1. Go to the project website at www.cflroads.com
2. Enter the project number “441140-1” in the search box at the top right
3. Then click “go”.

The screenshot shows the FDOT website interface. At the top right, there is a search bar containing the text "441140-1" and a "Go" button, both of which are circled in red. The website header includes the FDOT logo and navigation links: CFLRoads Home, Lane Closures, Construction Projects, Future Projects, News, and Resources. Below the header, the text "Welcome to FDOT's District Five Projects Website" is displayed. The main content area features a large image of a road with a yellow arrow pointing right and a black arrow pointing left. Below the image is a section titled "Grab Your Running Shoes: Learn about upcoming trail plans and projects" with a "More..." link. To the right of the image is a map of the District Five Service Area, highlighting counties: Marion, Sumter, Lake, Volusia, Seminole, Orange, Osceola, and Brevard. Below the main content area are two sections: "Project Finder" and "Links". The "Project Finder" section includes a search prompt and a row of icons for various roads and services. The "Links" section lists: SunRail, reThinkYourCommute.com, D5 Work Program Public Hearings, and Public Meeting Notices.
