RE: **Open House**
North Grove Street (State Road 19) Safety Design
In Eustis, from East Floral Street to North Eustis Street
Lake County
Financial Project Number: 441370-1

Dear Property Owner or Stakeholder:

On behalf of the Florida Department of Transportation (FDOT), I invite you to an open house for the North Grove Street (State Road 19) safety design project, which begins at East Floral Avenue and ends at North Eustis Street in Eustis. The intent of this safety project is to reduce crashes by realigning the curve in the northbound direction within the state's existing right of way. Construction is funded in Fiscal Year 2021.

The open house is scheduled for Thursday, September 26, 2019 at the Eustis Community Center located at 601 Northshore Drive in downtown Eustis. Attendees may come anytime between 5 p.m. and 7 p.m. to review project displays, hold one-on-one conversations with FDOT and/or representatives, and watch a presentation video that will run on a continuous loop. The displays and video will be available for review online at www.clfroads.com by October 3 (search by 441370-1). The attached map identifies the project limits and the meeting location.

Public participation is solicited without regard to race, color, national origin, age, sex, religion, disability or family status. Persons wishing to express their concerns relative to FDOT compliance with Title VI may do so by contacting Jennifer Smith, FDOT District Five Title VI Coordinator, by email at Jennifer.Smith2@dot.state.fl.us.
