

S.R. A1A Improvements

From North of International Speedway Boulevard (U.S. 92) to Milsap Road

Volusia County

Financial Project Identification (FPID) No: 442884-1

Project Description

The Florida Department of Transportation (FDOT) is planning improvements along State Road (S.R.) A1A from north of International Speedway Boulevard (U.S. 92) to Milsap Road in Daytona Beach. The goal of the project is to extend the service life of the roadway, and enhance safety and operations for all users along the corridor.

In addition to repaving this segment of S.R. A1A, the project will introduce subtle alignment shifts and raised intersections to help encourage safer driving speeds and enhance pedestrian safety. Traffic signal and lighting upgrades, as well as drainage improvements are included.

Proposed pedestrian safety enhancements include wider sidewalks, raised midblock crossings with pedestrian activated signals, and upgraded curb ramps to comply with the American with Disabilities Act (ADA). A bicycle lane and sidewalk are also planned within the widened median from Boylston Avenue to Milsap Road.

Project Status and Estimated Costs*

Design:	Ongoing - completion fall 2023	\$ 3.1 million
Right of Way:	Within existing	—
Construction:	Funded - spring 2024	\$ 9.2 million

*subject to change
