

# **PUBLIC HEARING**

**for the**

## **International Speedway Boulevard (U.S. 92) Resurfacing and Safety Design Project**

**November 19, 2020**

### **AGENDA:**

#### **1. Welcome and Introductions.**

During this time, those attending in person have an opportunity to review the project handouts and fill out a comment form. All materials at the physical location are available for download by those attending online.

#### **2 Presentation**

The presentation explains the project purpose and need, and the proposed design plans.

#### **3. Formal Comment Period**

Following this presentation, you will have the opportunity to provide oral statements at the microphone, online, or in writing. We ask that you limit your verbal comments to three minutes to allow time for everyone who would like speak. All comments and questions will receive a written response after the hearing.

## PROPOSED IMPROVEMENTS

The purpose of the project is to rehabilitate the existing pavement and provide safety enhancements including turn lane extensions, which will necessitate closing the median opening at Calle Alto Vista on International Speedway Boulevard east of North Kepler Road. Other safety improvements include Americans with Disabilities Act (ADA) enhancements, intersection lighting and signalization upgrades. This public hearing is being held to present information and obtain public input.
