About

The purpose of this project is to resurface the eastbound lanes of State Road (S.R.) 600 (International Speedway Boulevard) from North Alabama Avenue to east of Kepler Road.

Additional safety improvements include widening turn lanes, making minor drainage improvements, adding new sidewalk to close existing gaps, and enhancing intersection lighting. The project will also include access management improvements just east of Kepler Road.

Project Files

[2020-11-19 Public Hearing Notice](#)

To make a statement online after the presentation:

Go to the Control Panel

1. For written comments
 - Click on the “Questions” tab and type your comments or question
2. For verbal comments
 - Click on the “Questions” tab and type in your name, followed by “I wish to speak”

Type comments or request to speak via the Questions Pane

The screenshot shows a web interface for submitting questions. At the top, there is a tab labeled 'Questions'. Below the tab is a large text input area. A red dashed box highlights a portion of this input area, which contains the placeholder text '[Enter a question for staff]'. Below the input area, there is a button labeled 'Send'.

To make a verbal public statement after the presentation at the in-person location:

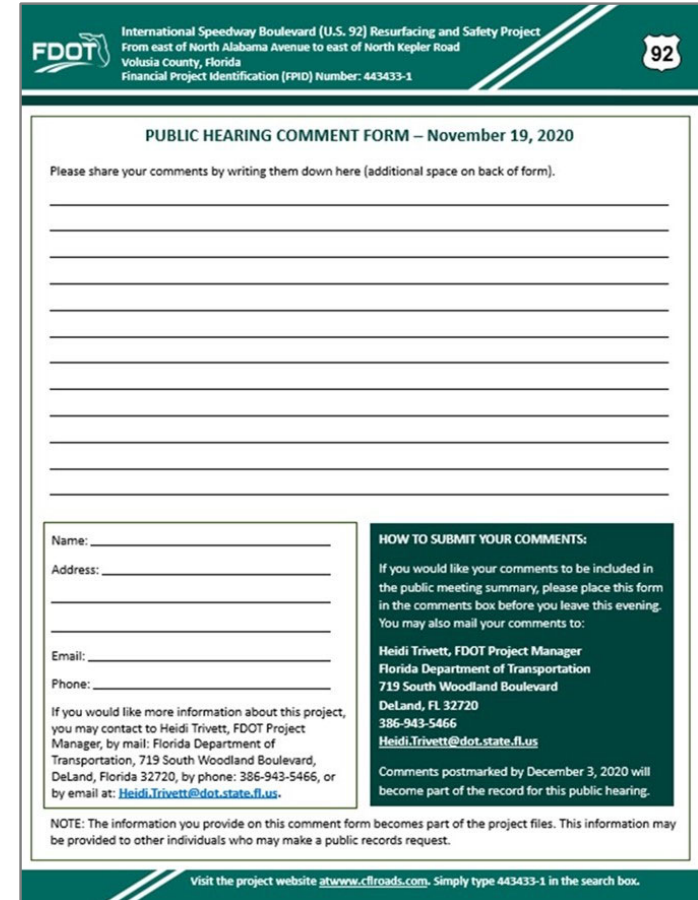

- 1) Ask for a speaker request card at the sign-in table
- 2) Fill out the card with your name, address and phone number, and who you are representing
- 3) Give the card back to a member of the project team
- 4) You will be called to give your verbal statements into a microphone
- 5) Please limit your comments to three minutes so we will have a chance to hear from everyone
- 6) All comments and questions will receive a written response after the hearing

All comments received or postmarked by December 3, 2020, will become part of the official record for this public hearing

The image shows a 'PUBLIC HEARING COMMENT FORM' for November 19, 2020. The form is titled 'International Speedway Boulevard (U.S. 92) Resurfacing and Safety Project' and is for Volusia County, Florida. It includes a header with the FDOT logo and project details. The main body of the form has a large section for writing comments, with a note to 'Please share your comments by writing them down here (additional space on back of form)'. Below this, there are fields for Name, Address, Email, and Phone. To the right of these fields, there is a section titled 'HOW TO SUBMIT YOUR COMMENTS:' which provides instructions on how to submit comments and contact information for Heidi Trivett, the FDOT Project Manager. At the bottom, there is a note stating that the information provided on the form becomes part of the project files and may be provided to other individuals who may make a public records request. The form also includes a footer with the project website URL and a search box.
